

# TABLE OF CONTENTS

## Indian Geospatial Economy Overview

Approach and Methodology .....	13
Indian Geospatial Market: Key Perspectives .....	15
Indian Geospatial Economy Snapshot .....	18
<b>1.0 Key Contexts.....</b>	<b>19</b>
1.1 Integrated Development Planning: .....	19
1.2 Technology Integration:.....	20
1.3 Geospatial Readiness .....	21
<b>2.0 Indian Geospatial Ecosystem.....</b>	<b>25</b>
2.1 Geospatial Sector Governance:.....	25
2.2 Spatial Data Infrastructure: .....	25
2.3 Remote Sensing and Space Application Centers: .....	28
2.4 National Geospatial Agencies (NGAs):.....	28
2.5 ICT - Geospatial Technology Integration Agencies:.....	30
2.6 Key Geospatial Resource/Research Institutes .....	32
2.7 Geospatial Education Institutes .....	34
2.8 Geospatial Industry and SWOT.....	35
<b>3.0 Geospatial Governance: Missing Drive to Perform.....</b>	<b>41</b>
3.1 Leadership by the Designated Geospatial Agencies .....	41
3.2 Aspirational Vision: Strategic Framework for Geospatial Capacities and Competencies.....	42
3.3 Envisioning National Geospatial Policy: Proposed.....	43
<b>4.0 Geospatial Adoption Landscape .....</b>	<b>44</b>
4.1 Currently Used Geospatial Information and Technology Solutions:.....	44
4.2 Challenges in Adoption of Geospatial Solutions: .....	45
4.3 Key Imperatives to Enhance Adoption of Geospatial Technology Solutions:.....	46
4.4 Online Applications with Geospatial Integration:.....	47
4.5 Functional Benefits from Geospatial Integration:.....	48
<b>5.0 National programs unfolding opportunities .....</b>	<b>49</b>
5.1 National Water Resource Management Programs: .....	49
5.2 National Urban Development Program: .....	51
5.3 National Infrastructure Development Initiatives.....	52

## Indian Geospatial Market Analysis

<b>6.0 Indian Geospatial Market .....</b>	<b>54</b>
6.1 Market Overview .....	54
6.2 Top Application Areas.....	55
6.3 Top States.....	57
<b>7.0 Indian Geospatial Market: Technology Segments.....</b>	<b>58</b>
7.1 GNSS & Positioning .....	58
7.1.1 Overview .....	58
7.1.2 Market Composition.....	59
7.1.3 Top Application Areas.....	60
7.2 GIS/Spatial Analytics .....	62
7.2.1 Overview .....	62
7.2.2 Market Composition.....	62
7.2.3 Top Application Areas.....	64
7.3 Earth Observation.....	66
7.3.1 Overview .....	66
7.3.2 Market Composition.....	67

7.3.3 Top Application Areas.....	68
<b>7.4 LiDAR &amp; 3D Scanning .....</b>	<b>70</b>
7.4.1 Overview.....	70
7.4.2 Market Composition.....	70
7.4.3 Top Application Areas.....	72
<b>8.0 Application Area-wise Market Analysis .....</b>	<b>74</b>
<b>8.1 Infrastructure.....</b>	<b>74</b>
Opportunities for the Geospatial Industry (Bharatmala Pariyojana, Sagarmala, Setu Bharatam, High Speed Train Corridors) .....	74
Market Analysis.....	77
Overview .....	77
Market Distribution – Consumer Segments .....	77
Market Distribution – Technology Segments .....	78
<b>8.2 Urban Development .....</b>	<b>79</b>
Opportunities for the Geospatial Industry (Smart Cities Mission, AMRUT, PMAY, Metro Rail Projects).....	79
Market Analysis.....	83
Overview .....	83
Market Distribution – Consumer Segments .....	83
Market Distribution – Technology Segments .....	84
<b>8.3 Utilities.....</b>	<b>85</b>
Opportunities for the Geospatial Industry (Saubhagya, IPDS, NSGM, UDAY, NRDWP, PMUGP) .....	86
Market Analysis.....	91
Overview .....	91
Market Distribution – Consumer Segments .....	91
Market Distribution – Technology Segments .....	92
<b>8.4 Education and Research .....</b>	<b>93</b>
Geospatial Centre of Excellence .....	95
Market Analysis.....	96
Overview .....	96
Market Distribution – Consumer Segments .....	96
Market Distribution – Technology Segments .....	97
<b>8.5 Water Resources and Irrigation .....</b>	<b>98</b>
Opportunities for the Geospatial Industry in Water resources (NHP, DWIS, DRIP, Namami Gange Program).....	98
Opportunities for the Geospatial Industry in Irrigation (PMSKY, Micro Irrigation Scheme, Interlinking of Rivers Program) .....	100
Market Analysis.....	102
Overview .....	102
Market Distribution – Consumer Segments .....	102
Market Distribution – Technology Segments .....	103
<b>8.6 Rural Development and Land Administration.....</b>	<b>104</b>
Opportunities for the Geospatial Industry (PMGSY, NRuM, DILRMP) .....	104
Market Analysis.....	108
Overview .....	108
Market Distribution – Consumer Segments .....	108
Market Distribution – Technology Segments .....	109
<b>8.7 Mining, Oil &amp; Gas.....</b>	<b>110</b>

Geospatial in Mining .....	112
Geospatial in Oil & Gas .....	113
Market Analysis.....	114
Overview .....	114
Market Distribution – Consumer Segments .....	114
Market Distribution – Technology Segments .....	115
<b>8.8 National Geospatial Agencies.....</b>	<b>116</b>
Overview .....	116
Market Analysis.....	118
Overview .....	118
Market Distribution – Consumer Segments .....	118
Market Distribution – Technology Segments .....	118
<b>8.9 Retail and Logistics.....</b>	<b>120</b>
Retail .....	120
Logistics.....	122
Market Analysis.....	124
Overview .....	124
Market Distribution – Consumer Segments .....	124
Market Distribution – Technology Segments .....	125
<b>8.10 BFSI and Taxation .....</b>	<b>126</b>
Indian Banking Sector .....	126
Technology in the Banking Sector .....	127
Indian Insurance Sector.....	127
Geospatial in the Insurance Sector .....	128
Indian Taxation Sector .....	128
Geospatial in the Taxation Sector .....	129
Market Analysis.....	130
Overview .....	130
Market Distribution – Consumer Segments .....	130
Market Distribution – Technology Segments .....	131
<b>List of Sources .....</b>	<b>132</b>
